

**2.1 Amp FAST CHARGE**

## Model PT8013USB 8 Outlet Entertainment & Flatscreen TV Powerboard

2 High Current USB Charging Outlets & Television & Pay TV Surge Protection

The Jackson model PT8013USB powerboard is an ideal solution for both Home Entertainment and Computer Systems.

This model features 8 High Joule Surge Protected Outlets to power and protect valuable electronic equipment from damaging power spikes and surges, 2 High Current USB Charging Outlets suitable for charging most portable electronic devices and F Connector Surge Protection to filter TV Antenna and Pay TV lines.

Additionally, this model has 4 spaced sockets to allow bulky power packs and chargers to be connected and LED indicator lights to show the status of the surge protection, grounding and power availability.

Charge your iPad® and iPhone® at the same time

**High Level Surge Protection**
